Description			Specification
Equipment weight			kg 21000
Dimensions	long	mm	7000
	Wide (pushing shovel)	mm	3350
	Wide (outside of the front wheel)	mm	3350
	Wide (outside of the rear wheel)	mm	3350
	high	mm	3530
Wheelbase			mm 2750
Ground clearance			mm 280
wheel	Pressure roller width (front/rear)	mm	900
	Pressure roller diameter (front/rear, out of the tooth)	mm	1600
	Pressure roller diameter (front/rear, out-of-wheel)	mm	1290
	Number of teeth (front/rear)	↑	64
Motion transfer system	Engine manufacturer		WEICHAI
	model		WD10G220E23
	Engine power	kw	162
	Engine speed	r/min	2000
	Electrical System	V	24
Number of driving wheels			4
speed	front I 0-4.2	km/h	
	front II km/h 0-15.7	km/h	
	rear km/h 0-5.8	km/h	
Push shovel	Pusher height	mm	1880
	Push shovel width	mm	3350
	Pusher lift height	mm	980
	Push shovel into the ground	mm	150
Braking System	Driving brake, pneumatic oil		
	Parking/emergency brake machinery, uplift brake		
steering system	Steering mode Hydraulic, central articulated, sub-pendulum swing		
	±° 40 Steering angle ±° 40		
	±° 15 Lateral swing angle ±° 15		
	Turning radius (outside of the front wheel) mm 6085		
Optional			
Standard configuration ordinary axle+two-stage emission engine			
Wet brake bridge+three stage emission engine
